

Request to Change/Add Faculty Advisor or Specialization

Please note that SEAS students cannot add or change specializations until after they have successfully completed one term in the program.

Name _____ Date _____

UM ID Number _____ E-mail Address _____

Faculty Advisor Change

I request permission to change my faculty advisor as indicated below:

New Faculty Advisor _____

Specialization Modification

I request permission to change (or add) my Specialization as indicated below

Current _____

New Add _____

If this request involves a change in the specialization, attach an outline that shows courses you will take to fulfill the requirements of the curriculum associated with the specialization you are switching into. It's suggested that students request degree audits from SEAS Student Center staff reflecting new specialization. Specialization add requests must be submitted before you apply for graduation. Please contact seas.gradsupport@umich.edu with any questions.

Specialization Modification Approval

Your faculty advisor must approve the specialization change/add request:

Advisor's Signature _____ Date _____

Return this completed form to SDSS Staff in 1520 Dana or email it to seas.gradsupport@umich.edu
